

Monthly or Recurring Gifts

You may wish to make regular donations to Friends House, either through a credit card or automatic withdrawal from your bank account. The Development Office will maintain records of all donations and provide you with an acknowledgement letter and receipt for the previous year's donations every January.

Automatic recurring donations are convenient and they quickly add up. As the chart below shows, over time, you could make a substantial contribution to the Friends House Residents' Assistance Fund, Building Fund, or General Fund.

Monthly Contribution	Time Period	Total Three Year Contribution
\$250	12 months	\$3,000
\$100	12 months	\$1,200
\$50	24 months	\$1,200
\$25	36 months	\$900

To make recurring credit card donations, simply click on the Donate Now button and follow directions. You will choose the amount you wish to donate, the frequency, and the fund you wish to support.

To establish a recurring electronic transfer of funds from your bank account, you will need to notify your bank of your wishes and provide them with Friends House's bank account number and routing number. They are:

- (1) **bank routing number—055001096**
- (2) **account number—1005144201**

Of course, you may increase, decrease, or terminate your recurring contribution at any time by notifying your bank.

Please contact Patty Reed, Director of Development, for additional information.
