

April 14, 2021

Dear Residents & Family Members,

We are committed to keeping you well informed of updates and changes with the impact of COVID-19 on our Friends House community. Please see the chart below for our current numbers related to positive COVID-19 cases for both residents and staff. These numbers are reflective from the very start of the pandemic. We received a positive result for one of the residents in health care during this week of testing.

Visiting update:

As a result of this positive test we must stop all indoor visits effective immediately until further notice. We will notify residents and families when we will be open again for indoor visits. Please check the website for updates.

Window and Skype visits are always available. If you would like to schedule a window visit, please call the front desk of Stabler Hall during regular business hours to schedule a time, or feel free to request a Skype or FaceTime call. The number is 301-924-7531. If you would like to schedule a window visit or FaceTime call for a resident who lives in Haviland Hall (Assisted Living), please call 301-924-7518.

Our latest results since the beginning of COVID-19 are: (As of April 13, 2021)

	#Positives	#Deaths	#Returned to Work	#Became Negative	#Still Positive
Healthcare Residents	32	6	N/A (not applicable)	25	1
Staff	41	0	41	N/A (not applicable)	0

We appreciate your continued support and understanding. We continue to work with The Maryland Department of Health and local health departments in monitoring the outbreak of the COVID-19 virus.

Please remember that the virus has not gone away, even after the initial rounds of the vaccination have been administered, so it is still important to remain vigilant and continue to wear masks, practice social distancing, and wash your hands.

Stay Safe,

Friends House Management
