

May 5, 2021

Dear Residents & Family Members,

We are committed to keeping you well informed of updates and changes with the impact of COVID-19 on our Friends House community. Please see the chart below for our current numbers related to positive COVID-19 cases for both residents and staff. These numbers are reflective from the very start of the pandemic.

**Visiting update:**

Although we are currently in an outbreak situation as a result of the positive test from last week, we do acknowledge that this Sunday is Mother's Day and we want to accommodate as many outdoor visits that we can from 1:00 PM to 5:00 PM. To make this possible we will have visits for 30 minute intervals, per resident for the day. We ask for no more than two people visiting at a time.

Please call 301-924-7531 to schedule a time for a Mother's Day visit for Stabler Hall or Thomas Hall residents and call 301-924-7518 to schedule a time for a Mother's Day visit for a Haviland Hall resident.

Window and Skype visits are always available. If you would like to schedule a window visit, please call the front desk of Stabler Hall during regular business hours to schedule a time, or feel free to request a Skype or FaceTime call. The number is 301-924-7531. If you would like to schedule a window visit or FaceTime call for a resident who lives in Haviland Hall (Assisted Living), please call 301-924-7518.

Our latest results since the beginning of COVID-19 are: (As of May 4, 2021)

	#Positives	#Deaths	#Returned to Work	#Became Negative	#Still Positive
Healthcare Residents	32	7	N/A (not applicable)	25	0
Staff	43	0	42	N/A (not applicable)	1

We appreciate your continued support and understanding. We continue to work with The Maryland Department of Health and local health departments in monitoring the outbreak of the COVID-19 virus.

Please remember that the virus has not gone away, even after the initial rounds of the vaccination have been administered, so it is still important to remain vigilant and continue to wear masks, practice social distancing, and wash your hands.

Stay Safe,  
Friends House Management
