July 26, 2020

Dear Residents & Family Members,

So far, the second week of testing of staff yielded two positive test results for staff. Both are at home in isolation. Additionally, both have not shown any signs or symptoms of COVID-19. We are still receiving results from the lab for staff who were tested during the second week of testing.

We have tested all residents in our health care units. Updates of any positive cases will be provided as results are received.

We hope everyone is making time for window visits. If you would like to have a window visit please call the front desk of Stabler Hall during regular business hours to schedule a window visit or a Skype/FaceTime call. The number is 301-924-7531.

Our visiting hours are 7 days a week, from 9 am to 6 pm. We ask that you limit your visits to 30 minutes per day.

Our latest results since the beginning of COVID-19 are:

	#Positives	#Deaths	#Returned to Work	#Became Negative	#Still Positive
Healthcare Residents	19	5	N/A (not applicable)	13	1
Staff	17	0	15	N/A (not applicable)	2

We will update the COVID-19 section of our website as new information is available.

We appreciate your continued support and understanding. We continue to work with The Maryland Department of Health, the Centers for Disease Control and Prevention (CDC), and local health departments in monitoring the outbreak of the COVID-19 virus.

Some have asked how they can help. If you feel so inclined and would like to contribute to helping our team during this time of the coronavirus, please contact Anne Derby at 301-924-7510 or aderby@friendshouse.com, or go to this link: <http://weblink.donorperfect.com/Giv3>.

Please remember that the virus has not gone away so it's still important to remain vigilant and stay healthy.

Stay Safe,

Friends House Management
